### Terms and Conditions for Sale of Axis Technologies Inc. Ballasts

#### General

This data is for the convenience of the user and every effort is made to avoid errors or omissions.

All ballasts and electrical components are listed by Underwriters Laboratories, Inc., and are in compliance with the requirements of the National Electrical Code.

#### Terms

30 days net from date of invoice.

#### Minimum Billing

There is no minimum billing.

#### Freight Policy

Standard ground freight prepaid on order of 3 cases (60 ballasts) and more, in full case (20 ballasts) increments and shipped to Customer Distribution Location unless changes are approved by Axis before shipping.

#### Warranty

Goods are shipped in perfect condition and properly packed. We guarantee material to be free from defect. Inoperative items will be exchanged when operated under normal condition within 5 years of purchase.

#### Cancellations

Material that has been shipped cannot be cancelled without reimbursement to Axis for expenses incurred.

#### Returned Goods

Products may be returned and will be accepted for return in only new and saleable condition. Written factory authorization, shipment in original cartons, and prepaid shipment are required.
